8. STATEMENT OF SIGNIFICANCE

Certifying official has considered the significance of this property in relation to other properties:

\_\_\_\_\_ Nationally \_\_\_\_\_ Statewide \_\_\_\_\_ Locally

1. It is associated with events that have made a significant contribution to the broad patterns of national, state, or local history.
2. It embodies the distinctive architectural characteristics of a type, period, style, or method of design or construction, or represents a significant and distinguishable entity whose components may lack individual distinction.
3. It is an outstanding work of a designer, builder, or architect who has made a substantial contribution to their field.
4. It exemplifies or reflects special elements of the county's history.
5. It is associated with the lives of persons significant in national, state, or local history.
6. It has yielded or may be likely to yield important archaeological information related to history or prehistory.
7. It is an historic building or cultural resource removed from its original location but which is significant for architectural value, or association with an historic person or event, or prehistory.
8. It is a birthplace or grave of a prehistoric or historical figure of outstanding importance and is the only surviving structure or site associated with that person.
9. It is a cemetery or burial site which derives its primary significance from age, from distinctive design features, or from association with historic events, or cultural patterns.
10. It is a reconstructed building that has been executed in an historically accurate manner on the original site.
11. It is a creative and unique example of folk architecture and design created by persons not formally trained in the architectural or design professions, and which does not fit into formal architectural or historical categories.
